

Dr. Gaurav Shukla

Popularly known as *ShreevedangGuru* , a Management Expert turned to Healer & consultant known for expert on *Lost Sciences* . I am a pioneer in the field of researching traditional wisdom practices and creating meditative techniques and applications that can bring about fast healing. I believe after working for 24 years in Marketing & consulting the need for a Training & Consulting company which acts as a Bridge between Indian Traditional System and Western Research studies so that a better tactical system be evolved and for that studied all topics & ved puran and content in Sanskrit and created meaningful models. Integrated behavior, with Beej Mantras and conceived the comprehensive techniques designed to cleanse and energize the physical body, mind & Soul. This process accelerated the rate at which the body can heal itself. PhD in Sanskrit and filed 2 research papers on Mantra Chikitsa . He did a study on 200 students of PEC Chandigarh , and measured a impact of BeejMantra meditation on weight , sugar & BP levels . Developed content and training on Total Wellness with corporates like Indian Post Association , PEC Chandigarh , Subharti University & IRCON . His training programs are attended by clients from Calbury's , Hero Cycles , Paterni Polymers , DRDO - InMans, Defense personal and Entrepreneurs.

Achievements

WHERE WE SUPPORTED MEDICAL SCIENCE THROUGH DISTANCE HEALING:

- Healed more than 200 people in Covid via distant healing
- Reversed extremely critical patients who were refused treatment by medical professionals on the pretext negligible survival chances, less than 48 hrs
- Instrumental in recovering 50% hearing loss of a patient through distance healing
- Reversed Reactive Arthritis in 2 weeks of healing
- Healed and reversed paralysis in 2 months

Strengths

- Subject driven approach and firm grip over work life balance helps me to dynamically structure and design all programs to high standards.
- Passionate about transforming people towards better energy levels and its impact.
- Guiding people in managing stress and time and persuading them to indulge in creative thinking and innovation.
- My trademark is "Energy is medium of Exchange" - more energy more interaction?
